## Technology & Business Cooperation Days 2024

The Technology & Business Cooperation Days 2024 will be organised again as traditional brokerage event with personal meetings on the fairground (22. - 25. April 2024). Convenient online-meetings for those organisations, which cannot attend personally due to travel restrictions, high distances or costs will be possible two weeks before the fair (09. - 11. April 2024). Online meetings do not require any additional software, only an up-to-date web browser, a microphone and a webcam to attend the videoconferences.

Together with our event partners and partners from the Enterprise Europe Network, we will continue working on this event and the website to help you establish new international business contacts and find partners for upcoming European projects.

### Focus

- Industry 4.0 and Smart Factory solutions
- Resource and energy efficient manufacturing technologies
- Sustainable Energy & Mobility
- Measurement Tools

The registration for the "hybrid" Technology & Business Cooperation Days is free of costs. The registration is open until 08th of April 2024.
