

THE UK BORDER OPERATING MODEL

How can businesses prepare for the end of the transition period?

Webinar with UK Government experts about the new border operating model.

This webinar is aimed at Spanish and British traders moving goods between the United Kingdom and the European Union to prepare for the end of the transition period.

The event will detail requirements such as customs declarations, duty payments, EORI, etc.

The webinar will also explain the UK's unprecedented £705 million investment which will fund new UK infrastructure, jobs and technology at the GB-EU border.
